Thank you for your interest in Southend Hospital Charity Tree of Life. Your donation for the leaf will go towards the general purpose fund to help areas of the hospital where it is most needed. Your leaf will be added to our Tree of Life shortly and will remain there for a minimum of 3 years. After 3 years, if demand is high, we will write to you to inform you that your leaf will be removed and will be sent to you to be kept as a treasured memento. If there is space available on the tree then it may be possible for your leaf to remain for longer. Please note: the location of the Tree of Life is not permanent and may be moved if the demands of the service make it necessary in the future.
